

DD/R-456-63

18 March 1963

MEMORANDUM FOR: Chief, Personnel Operations Division

ATTENTION:

25X1A

25X1A

SUBJECT:

Excepted Appointment Action -

25X1A

25X1A

1. [REDACTED] was interviewed by officials of the Office of Research and Development, DD/R on 15 March 1963. We had previously transferred responsibility of the applicant processing of [REDACTED] from TSD/DD/P to the DD/R and had submitted an action on 24 January 1963 requesting [REDACTED] be placed into process in the scientific step of a GS-10.

25X1A

2. It is our understanding that subject has completed the necessary processing and is fully cleared to enter on duty.

3. In view of his academic background plus his experience in the field of infrared and optical spectral instrumentation we believe that he is fully qualified as a GS-11 (1st step). It is requested, therefore, that [REDACTED] be brought on board at that salary level.
